Get collecting for Active Kids

Active Kids 2015

Sainsbury's

It's time to get collecting again! Sainsbury's Active Kids is back for another year and we need your help to get as many vouchers as possible. Spread the word and let the rest of your family and friends know we're collecting and encourage them to pick up vouchers when they shop at Sainsbury's. The more vouchers we receive the more goodies we'll be able to get. Donate these to us and we can swap them for a wide range of active and cooking equipment and experiences for the kids to use next year.
